English-Language Book Exhibition & Book Hunting

In collaboration with a leading academic publisher Wiley, we are pleased to announce an exhibition and book hunting of English-language books.

Have you felt that the library does not have enough English-language books in your research field? Or do you want to learn from original books in English rather than their Japanese translations?

If so, this will offer you a great opportunity to browse actual books and choose what you want.

Don't miss it!

We particularly welcome non-Japanese and graduate students!

Date/Time: November 16 (Mon) to 19 (Thu), 2015, 9:00 - 17:00

※ 11:00 - 17:00 on the first day.

A Wiley representative will be available on 16th and 17th.

Location: Meeting Room 3

(Opposite to the library entrance on the 2nd floor)

Content: About 150 new and recent books from Wiley

※ See the Library Webpage for further details.

* A Wiley representative will be present on Day 1 (16th) and Day 2 (17th). We recommend you come to the exhibition during these two days if you want to ask a question about content of a book.
